

# THE CITY IS A CYPHER

THE CITY IS A PLACE OF RUDE AND ANONYMOUS PRODUCTIVITY, A MATERIAL INSTANCE, A FRACTAL OF OUR HIVE MIND. IT HOLDS ALLEYS OF ACTIVITY WHICH CANNOT BE SURVEILLED, CONSPIRACIES THAT CANNOT BE SILENCED, LIVES THAT CANNOT BE KILLED – LANGUAGES, CODES, RHYTHMS, PROTOCOLS OF SUBSISTENCE AND TRANSCENDENCE. NETWORK BEINGS, THRIVING EMERGENT BETWEEN STEEL AND CONCRETE. INTERPARTICIPATORY WITH THE SLIGHTEST CREATURE, ELECTRIC WITH BUTTERFLY EFFECTS. IMMUNE TO CAPTURE.

OTHERS FEAR THEIR INSCRUTABLE POWERS.  
WE COMPOSE WITH THEM, OUR ALLIES  
IN PLURALISM. EGREGORES OF OUR  
SECOND ORDER EFFECTS, REACTING  
IN A METACOGNITIVE TURBULENCE  
AT ONCE ANCIENT AND AVANT  
GARDE. ETHEREAL AGENTS OF  
THE PLURAL NAME.

BEYOND OLD AND NEW,  
ANALOGUE AND BINARY,  
THERE IS ONLY  
CAPTURE AND FREEDOM.

EMBRACE THE PLURAL.  
START A CITYDAO.
